Once all of the ceremonies were completed and the rules explained, Master Khan, with great pride, introduced two newly graded Masters to the Association. These were Master A. Lopez and Master R. Zamparelli.

The day started with Team Forms. These were split into two categories, White to Green belts and Brown to Black belts. Once these were completed, the main competition started. First divisions to compete were weapons, ranging from Long Staff, Knife and Sword. Next was Individual Forms, followed by Free Sparring.

The day pitted friend against friend and club against club, but the comradeship throughout the day was overwhelming, each cheering the next to compete.

The day was an outstanding success with overall Grand Champion awards going to Colour Belt Division which was won by Miss. L. Zamparelli, and Black Belt Division which was won by Mrs. D. Khan.

At the end of an extremely competitive day, Master Khan and all of the Masters expressed their gratitude to all the students and instructors and were extremely happy with the turn out and thanked all those involved.
